012427

Prior to 10/20/58 Thornley on reserve. As of this date attached to subordinate unit of Marine wing headquarters group (subordinate of 3rd Marine Aircraft wing, subordinate wing Pacific.)

On March 18, 1959 transferred to MACS-9 at El Toro, California. In June 1959 became the aviation draft replacement trainee for which the standing operating procedure required transfer overseas. He was transferred to MACS-1 MAG-11, 1st MAC wing on July 4, 1959.

Thornley had taken leave from May 29 to July 4 as per usual. He then traveled with his group by ship to Atsugi, Japan. He returned to the United States (Washington, D.C.) on 9/14/59 for temporary additional duty in Washington, D.C. at which time received technical instruction.

He rejoined his unit 10/29/59 and remained at Atsugi at least through 2/5/60. Normal tour lasts 13 months, which would mean Thornley returned around August 1960.

While at Atsugi he was transferred to MACS-1 Marine Air Base Squadron.
